ACCESS ITALY

Policies and Practices in the field of accessibility and cultural heritage

Venice – Brescia – Aquileia 21st -27th November, 2013

In the framework of a study visit in Italy of a Norwegian delegation of scholars and technicians, three working sessions are scheduled to introduce participants to the experiences developed in Italy in the field of accessibility to cultural heritage. Workshops are conceived to create conditions for a fruitful exchange of ideas and networking building among experts and public administrators. They will discuss on thematic issues dealing with design and planning tools for accessibility and development of inclusive policies and strategies to enjoy cultural heritage.

Thematic Workshop 1 - **The making of the Accessible City**

Venice, Nov. 22nd, 15.00 – 18.00, Cà Farsetti - San Marco, 4136

- 15.00 - The Architectural Barriers Elimination Office. *Franco Gazzarri, City of Venice*
- 15.30 - Venice City for All: policies, projects and actions. *Francesca Pinto, City of Venice*
- 16.00 - "Ramp with facilitated step" Project. *Alberto Arengi, University of Brescia*
- 16.30 - "Lettura Agevolata" Project. *Lucia Baracco, Lettura Agevolata ONLUS*
- 17.00 - Accessibility plans. Guiding principles and methods. *Antonio Lauria, University of Florence*
